perhaps?
I still haven't learned my lesson....
..... That is to say...
But he's definitely my type.
MUNCH
MUNCH
After I just found out that falling in love with a straight guy will get me nothing ....
Shit, I'm drinking drunk so I can forget!
GULP
All right! Let's go to the next bar!
Somewhere a little more relaxed!

Shiba-chaaaaan!

Ah
Netsu..
SHIBA-CHAN!

HEY!

GRAB
WHY ARE YOU RUNNING AWAY?!
hiccup
I was trying to forget him...

HUH ?
Your response is really rude
Who...
shock
?!
Who are you...?
click
Jeez...
sigh
!!! (OMG)
Are you telling me you've forgotten what happened only two days ago?
That's cruel...

SOCIAL STUDIES
What did you drag me in here for now?
uh....
well...
...what happened Friday is something both of us are... better off forgetting... don't you think...?
fidget
fidget
I know it's my own fault...
But what does he want from me?!
BULL'S EYE!
WHAT?!
Aren't you the one who wants to forget?
...
So then, what am I supposed to do...
Well, now...
for starters.
I mean ...
we were both drunk...
That was just you
... u

BLUSH
It was a total hassle taking care of you
!!
You can say thanks
SNAP!
Saying wh it like that
YOU WERE JUST HANGING OUT WITH NETSU
SO YOU MUST KNOW ABOUT ME, RIGHT?
THAT'S WHY YOU PUT BACK ON YOUR OTHER FACE AND GOT CLOSE TO ME!
DON'T THINK I'M AN IDIOT!

Wai-
You've got it wrong ...
SHUT THE HELL UP!!
GRAB
I JUST WANT TO BE HAPPY LIKE EVERYONE ELSE...
Like this
Not just used and dumped
I'm so miserable
uuu...
HEY...
YOU!
SHUT UP A SECOND...

You don't remember what happened on Friday, right?
What I mean is...
Huh...?
Uh
You totally have the wrong idea
I don't remember a
Just thing an uh but idea...
wave
silence
Uhh
so Nothing happened ? between us?
But, why was I naked ?
It's NOT "nothing!"
You come into a person's house, spew all over it, and you just want us to forget about it? And I even washed your clothes!
LIVES ALONE
...

One more thing...
...
Fine... I wanna die...
You... just awhile ago you said something about Netsu...
He's not the type to jokingly get close to someone and then toy with them.
You shouldn't drink until you throw up
Definitely lame...
I...
I'm very sorry
I'm so ashamed I want to die.
Aaaah.... I want to disappear...
Wha....
That weirdness is something you'd know more about...
Meaning... he's not cunning enough to do that...

slide
wha...
wha...
But this is like fate
If you need to talk about something, why don't you come to me?
Why's he smiling?
close
It's unfair
badump
badump
Ahhh...
I feel as if I'm falling in love and will end up with nothing again...

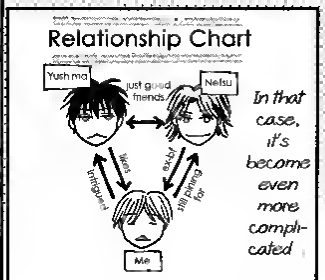
From this position... is there a way to become lovers...?
(rhetorical question)
The way we met was horrible...
And falling in love with my ex's best friend...
Probably.
...
Not only that but I'm a guy...
his greatest flaw
Shiba-chan!
Aaah.... jeez

POPS UP
DING
Basically, you have to consider the problem of meeting someone.
What? For reals?
Just because this is a boy's school, it doesn't mean there are a lot of gay guys, you know..
DING
Gloomy, aren't you?
...
No, seriously though?
There are lots of guys who want you.
'Cuz you're cute.
HOLD UP! YOU'RE JUST HALF-ASSING IT NOW!
SERIOUSLY UPSET HERE!
There are loads of gay guys in our school.
Sen
RAW
IT'S YOU...!! YOU'RE RUINING MY CHANCES OF MEETING SOMEONE...
YOU BASTARD!
I do it because I worry
Jeez...
POPULAR?!
WHAT DO YOU MEAN, "don't worry ♡" ?!
DON'T CALL ME CUTE!
I'm pretty popular, a lot of people tell me things.
And those who aren't to your taste are too shy, so don't worry ♡
YOOUU... WHAT ARE YOU BASING THAT ON...

But, wasn't Yushima your type?
HUH?!
Wh-wha what was that?!
That's why...
Look, I'm flat out saying...
Yushima likes you.
I set you up on Friday
Re...
REAL-LY?
Really? Totally!

dizzy
dizzy
dizzy

Rather, are things now easier to understand...?



.....

no...

If you need to talk about something, why don't you come to me?

Yeah, I don't get it....

.....

.....

I won't be
Yushima?
Can you get Yushima for me?
He totally didn't show any signs...
satisfied until
I've checked for myself
BFFT!!
When did you first notice me, Yushima?
whether or not it's okay to fall in love with him....

Wha-
WHAT ARE YOU LAUGHING AT?
Huh!
heh heh heh
Nothing
I thought Senju had told you!
WHAT'S SO FREAKIN' FUNNY ABOUT THAT?!
And you're crying!
Long before you started going out with Netsu
Huh..?
What?
I was the one who was always looking at you, and yet you fell for Netsu.
You never even noticed me.

Nn...
gah! Wai- u-va..
WHACK
WAIT A SECOND !!
Wasn't that cruel..
Haa..
Ahh... jeez! That hurt...
rub
Don't do that so sud- denly
That surprised me
The point is...

I think I want the same thing you do...
What do you want with me...?!
badump
badump
badump
Jeez... this is no place for that behavior...
Huh ?
Forget about Netsu
and fall in love with me...
AAAH
And then...

God ...
Bring
maybe I'll make you happy...?
Bring it on!
Acting all proud!!
I have a feeling that I'm being deceived by that smile..
If I fall in love with him, will I be happy.....?
There's something I wanted to ask
Huh? What? About Friday?
N-nothing really happened right?
I never said that nothing really happened!
It's not fair for anything
